

# What are Your Clients Missing From Their Dental Plan?

## Experience

23 years as a successful marketer and administrator of group and individual dental plans makes us experts and innovators.

## Strength and Stability

GroupLink's relationship with Independence Holding Company (NYSE: IHC) provides us with the resources and opportunities to provide you with the best, most unique dental plans on the market today.

## Relationships

We also are proud to support the broker/agent distribution system and believe that agents are the key to our success. We don't market directly to employers. We are focused on your success.

## Service

GroupLink maintains industry leading standards for turnaround times and accuracy on all its services. We believe that our service is key to our excellent reputation and to our ability to retain so much of our current business.

If you are looking for quality dental benefits with outstanding service and competitive compensation from a company that excels at putting our customers first, then please give us a call today at 800-935-2009 x7 or email us at [sales@grouplinktpa.com](mailto:sales@grouplinktpa.com).
